

Multi-Step.hs

```
1  a = "True"  
2  b = a  
3  c = if b then 0 else 1
```

```
1  a = "True"  
2  b = a  
3  c = if b then 0 else 1
```

A diagram illustrating the state of the program at each line. At line 1, a box labeled 'a' is connected by a rainbow-colored line to a box labeled '"True"'. At line 2, a box labeled 'b' is connected by a green line to a box labeled 'a'. At line 3, a box labeled 'c' is connected by a blue line to the 'if' keyword, and a box labeled 'b' is connected by a purple line to the 'if' keyword. The text 'then 0 else 1' is faded.
